ADVENTURE

EXPLORATION AND LONG DISTANCE

Keep your eyes on the horizon and unlock more of the season with the **NEW** Explorer Pro 170. This purpose-built model is made for long, comfortable rides on new waterways: store more of what you'll need and extend the experience with functional accessories. The possibilities for adventure are endless, go chase them down. 

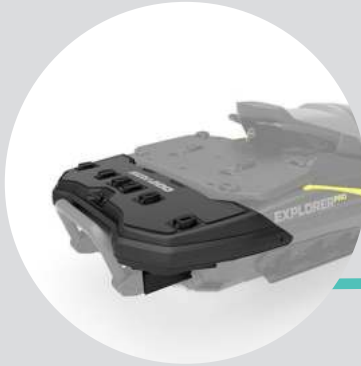

ENDLESS INNOVATION, ENDLESS POSSIBILITIES

Rear Deck Extension with LinQ

Designed with multiple convenient and versatile cargo configurations, allowing for better solutions for hopping on or off the ride more easily or creating additional space for lounging, fishing and more.

100L Watertight Transport Bag

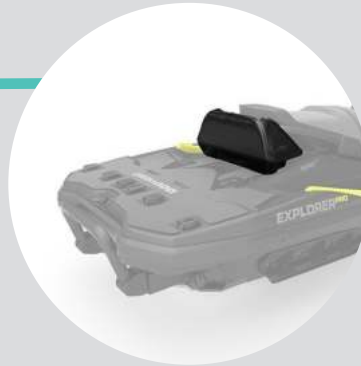

Bring everything (and then some) in this 100 L watertight bag.

LinQ Multi Cargo Rack

Adds up to three times the available LinQ accessory emplacement to your watercraft.

LinQ Seat Bag

Keep all your personal belongings handy and optimize rear deck space thanks to its smart positioning. Easy to reach for the passenger.

Removable Windshield

Inspired by our offshore riders, get a more dryer ride. Protects driver from wind and salt water splash and wind fatigue.

Cover - Explorer Pro

Keeps the watercraft in pristine shape for storage or trailering. No need to remove accessories under the cover.

ADVENTURE

ACCESSORIES AND APPAREL

NEW Rear Deck Extension with LinQ*

Extend the fun with more space for boating, lounging, fishing and more.

295101026

DANIEL RICCIARDO

ANTICIPATE EPIC

The fastest production PWC ever created has just gotten a little more edgy...

Thanks to our partnership with Australian F1 driver; Daniel Ricciardo. The RXP-X RS 300 has become an APEX predator, topping the food chain when it comes to both performance and premium-feel, with exclusive features that make it unmatched in both performance and beauty.

Neoprene Gloves

Keep your hands warm with Sea-Doo's Neoprene gloves. Made of 1.5 mm super stretch neoprene for superior comfort and mobility.

286729

Rash shirt

Long Sleeve Rashguard Signature with a Relaxed fit.

83020

BRP Audio-Portable System

Fully submersible and removable, can be used on and off the watercraft. Front mounted and positioned toward driver for maximum sound clarity.

295101042

TOURING

PERFORMANCE AND COMFORT

Turn heads and transform the touring experience with the help of this versatile pocket yacht. Stretch your legs and the definition of what's possible thanks to its ample space and stability. Bump some tunes on its booming audio system and keep your gear close thanks to its easy-to-reach storage. Good times will be found wherever you and your GTX pull up. 

BRP Audio-Premium System*

Fully integrated Bluetooth-enabled audio system with two powerful 50 watt speakers keeps your music clear no matter how rough the ride gets.

295100711

*Standard equipment on GTX LTD model

NEW LinQ Seat Bag - 5 Gal (20 L)

Conveniently located behind the passenger seat, this bag lets you tuck those important items away so you can concentrate on having the time of your life.

295101073

LinQ 4.2 Gal (16 L) Cooler

Secure LinQ-mounted cooler made with premium foam insulation.

295100698

Take the lake with the Wake Pro 230 and send the day somewhere special. When you hook up a friend to the LinQ ski pylon and click into ski mode, you'll see the difference that comes from owning a ride that is laser-focused on having fun on the water. 

TOW SPORTS

ACTIVE AND BOLD 

RECREATION

FUN AND FAMILY-FRIENDLY

The GTI SE is an affordable entertainment engine built to drive your family's summer fun. Boasting a full lineup of convenience, comfort, and versatility, this is the ticket to creating those sunny memories your family will cherish forever.

LinQ Front Support

Enables installation of front-mounted LinQ Cup Holder for easy access to beverages.

Left - 295101039
Right - 295101040

LinQ Cup Holder

This flexible holder can adjust to fit most beverage containers.

295100935

Towable Tube Rope for One-Person Tube

Answer the call of the thrill with this tube rope for 1 that is 18.3 m length and has a 680 kg break strength.

B104860000

Sea-Doo One-Person Triangle Tube

This versatile tube is perfect for both relaxed zen drifting or some more high-performance agile tubing.

B106670000

Grab some air over the water or just concentrate on having some easy, no-fuss fun. Light, agile and compact, keep your eyes on these rides if you take your playtime seriously.

THE SEA-DOO ADVANTAGE

INNOVATIVE TECHNOLOGY

Closed-Loop Cooling System

Arguably the most important technology for salt water environments, the Closed-Loop Cooling System (CLCS) uses coolant to keep the engine running at ideal temperatures. Unlike competitors, this technology prevents corrosive salt water and damaging debris from entering the engine, for increased reliability, longevity, and peace of mind. Offered as an expensive upgrade on traditional marine inboard engines, CLCS comes standard on all Sea-Doo models.

Intelligent Brake and Reverse (iBR)

Recognised by Surf Life Saving Australia and the U.S. Coast Guard for improving boat safety since 2009 and now in its third generation - iBR is the industry's first intelligent brake and reverse system which allows you to stop up to 160 feet (48m)* sooner than watercrafts not using a brake.

Intelligent Throttle Control (iTC)

Eco mode: Sea-Doo exclusive Eco mode produces up to 46% improved fuel efficiency.

Speed regulator mode: Set your speed for cruising, tow sports, navigating no-wake zones, and more.

Sport mode: The most responsive mode for top performance from your watercraft.

Ski mode: The perfect pull, every time. Five different acceleration profiles make it easy for the driver to deliver a smooth launch and consistent pace, so boarders can focus on shredding.

BRP GO!

BOOST YOUR RIDING EXPERIENCE

Discover new adventures, find new points of interest, connect with friends and more. The BRP GO! app turns every ride into a full immersive, next-level experience.

Ride Spontaneously

You never know what the ride will bring. With BRP GO! you can keep tabs on friends, discover nearby points of interest or create your own list of favorite stops.

Plan your Journey

GPS capability means you can plan your routes, get turn-by-turn navigation, download maps for when service is unavailable, track ride stats and even redo past favourite rides.

Ride with Friends

Friends are the best part of any ride. Now, you can invite friends to group rides, keep track of them while you ride and share your own location with your crew.

New Adventures are waiting.

SEA-DOO®

A BRP PROGRAM

OUR PLAYGROUND, OUR RESPONSIBILITY

Play It Safe

Ensure everyone is wearing a life jacket.

Play It Right

Observe & obey local rules.

Play It Green

Respect local plant & animal wildlife.

SURF LIFE SAVING

SEA-DOO, CHOSEN BY LIFE-SAVING AUSTRALIA
FOR OVER 10 YEARS

OVER A DECADE OF SERVICE

**OFFICIAL POWERCRAFT SUPPLIER OF
SURF LIFE SAVING AUSTRALIA**

APPROVED SURF LIFE SAVING RESCUE WATERCRAFT.

Since 2009, BRP and SLSA's partnership has delivered many millions of dollars worth of essential lifesaving equipment to more than 160 Surf Life Saving Clubs, to help save lives across Australia's beaches and our vast coastline.

With more than 500 million beach visitations annually, water safety is at the heart of this partnership. The BRP brands such as Sea-Doo are equipped and rescue ready at over 250 Australian beaches.

BRP products are engineered to be capable, reliable and high-performing, allowing surf lifesavers to move around quickly and effectively.

Sea-Doo Advantage Technologies such as Closed Loop Cooling Systems (CLCS) and Intelligent Brake & Reverse (iBR) assist in ensuring patrols and rescues can be performed safely with greater efficiency and faster response times in the most challenging of situations and conditions.
